

SKIN Resus

Peel Menu

Benefit Peel

This potent antioxidant peel brightens and hydrates the skin without excessive peeling. It's ideal for sensitive skin and Rosacea, as well as mild acne and ageing concerns.

Party Peel

A gentle treatment for hyperpigmentation, dull lifeless skin, congestion and photodamage. This is a great way to reinvigorate the skin before a special event.

Jessner Peel

A peel that provides intense exfoliation when used on its own or as a boost to increase the activity of the chosen peel. Effective treatment for acne, hyperpigmentation, and photodamage.

Detox Peel

This potent acne treatment is designed to address all grades of acne, pustular Rosacea and scarring, as well as oily, congested skins. *

Clarity Peel

A break-through treatment designed to target skin pigmentation and leave the skin looking brighter and more vibrant. Contains a range of ingredients to improve hyperpigmentation including melasma and sun spots. *

Retinol Brulee

A medium depth Vitamin A peel designed to bring about dermal change without trauma. Perfect for photodamage, mild scarring, hyperpigmentation ageing concerns and oily, congested skins. *

Timeless Peel

This is a deep dermal peel, for the treatment of photodamage, hyperpigmentation, ageing concerns and oily, congested skins. Some flaking may be experienced, leaving the skin glowing and alive. *

* The skin must be prepped prior to this peel.
